Why Print Master!

Print Master is an independent supplier for all your promotional items and customization needs. We customize any item for the most affordable prices. Print Master caters to re-sellers; and as a result, many items can be retailed for more than 100% of the cost price.

In an effort to keep the cost at a minimum for our customers, and because of the wide variety of products that is available; Print Master do not distribute hard copy catalogs. Samples are distributed based on customers need. Items will be sent for consideration based on the customer's interests . Our goal is to put money in your pocket !!!

The lowest prices are based on quantity. We recommend larger orders, because of the known fact that in the printing business, the larger the order, the lower the unit price.

Products:

Print Master offers a wide variety of products: Key chain, mugs, T-shirts, tote-bags, towels, flash drives, drink wear, silicone wrist bands, souvenirs, and personalized items for any purpose.

Items can be general or customized. Items may be used for making a profit, or they may be used as giveaways and office gifts to promote your establishment. They may also be given to participants at conferences and workshops. Products may be use in campaigns to promote a candidate, and identify supporters of a particular group, or they may be personalize as gifts.
